

Rules for using the IFERC-CSC Computer

N.B. The personal data contained herein is protected by Japanese data protection regulations and will not be used for other purposes

The user signing below certifies as follows:

1. that they will not use JFRS-1 for any other purpose other than authorised work;
2. that they will inform the CSC user support as soon as their authorisation for access terminates;
3. that they will follow the regulations of their institute regarding the protection of passwords, access to computers, and maintenance of data/software integrity, and that they have read and understood the CSC Information Security Guidelines in this respect;
4. that they will accept delete of data on JFRS-1 after use of JFRS-1;
5. the accuracy of the information given here.
